## 6. Lovely by Sarah Jessica Parker Eau de Parfum Spray

Lovely by Sarah Jessica Parker Eau de Parfum Spray is creating quite a stir among fashionable women these days. There are many reasons behind it, and one of which is its lasting effect that is loved by the women who use it.

The scent is light enough for daywear and very lovely for a night out! The fragrance isn't heavy and smells like a fresh summer scent and somewhat a flowery smell.

Lovely is so easy to wear, it's warm and friendly it's sexy and smart and most importantly it doesn't try too hard.

OK I admit that I don't own this myself although I almost own some department store testing bottles (by now) so I've pasted a few reviews from current users that might help give an alternative view. (These were chosen from over 70 reviews)

### **Review of Lovely by Kelly Monroe Porco**

*I first smelled "Lovely" on a friend of mine when we were on vacation. I was unfamiliar with the scent she was wearing, but it made me want to follow her around all day. All I kept*

saying to her was, "Oh my God, you smell so good!" I prefer body lotions to sprays because the scent is more subtle and it tends to stay with me longer, so I ordered the Lovely body lotion from your website, and now, nine times out of ten, when I wear it, people comment on how great I smell! The scent is a clean, citrusy, one with a light floral aroma and it's perfect to wear every day without being too overpowering. I am now in the habit of buying this for friends and family members as birthday gifts and they adore it.

#### **Review of Lovely by Ann Johns**

*Lovely Perfume for Women by Sarah Jessica Parker is one of the best I have purchased. It is wonderful as a daily fragrance, but could be used at any special occasion. The price was definitely as lovely as the price*

#### **Review of Lovely by Kristine Peterson**

*I love Lovely by Sarah Jessica Parker. It lasts nearly 12 hours on me. It smells awesome. It's flowery but not overpowering, It's feminine and sexy. All the time I wear it people compliment me and girls are dying to know what scent I use. It's incredibly affordable. Though it has got millions of positive sides I don't know many people to wear it so I feel like my scent is unique around me. It's utterly PERFECT!!*

End reviews back to me now.

\*\*\*\*Interestingly although this fragrance comes in a very feminine box and is called "Lovely" I must admit that the fresh light woody musk can smell great on a man's skin also and hey you can always wrap some duck tape (mens answer to most problems) around the label.

## 9. Barbie A Christmas Carol - Eden Starling and the 3 Christmas Spirits Gift Set

Having a daughter, a niece, or a granddaughter, who loves Barbie, can be tough for someone who is looking for a gift to give her at Christmas. However, with the introduction of the Barbie A Christmas Carol - Eden Starling and the 3 Christmas Spirits Gift Set by Mattel, you no longer have to scour every boutique or online store for toys that you can purchase for her. This set will do the trick of making her smile when she opens it up on Christmas morning.

Little girls are the ones that make the Barbie character alive, because of the support that they have for her. When you observe them today, little ladies and even toddlers are already fond of watching home videos that feature Barbie as a character. One of the favorites of children today is the Barbie A Christmas Carol, especially since it has a setting that features one of the favorite holidays of kids.

This product by Mattel, not only feature Barbie as Eden Starling, but also includes her cat Chuzzlewit and so is always an instant hit with girls. On top of that, Mattel also included the three Christmas spirit characters from the book and movie, Christmas past, Christmas present, and Christmas future.

As an added bonus, why not include the Charles Dickens book “ A Christmas Carol” or a DVD of the movie by the same name. In my opinion it never hurts to add an incentive for learning.
